Preloved Uniform Consignment Sheet

The P&F welcome your consignment of clean uniform items in good condition. Please ensure this consignment form is placed in the bag with your items and keep a copy for your records. If you have multiple bags, please tie them together. The P&F will price each garment according to its condition. In recognition of the work involved in running the Preloved Uniform shop the P & F receive a commission of 20% of the sale. All monies raised by the P & F are donated back to the school for the benefit of the students.
Sales will be reconciled at the end of the term and you will be contacted via text to collect your sale proceeds from the Administration office in the following term.

Please ensure all items are washed and ironed. Items with tears, paint/pen/sweat stains, broken zippers or torn seams will be disposed of at the P&F's discretion.
