### Showcasing Excellence

Mary MacKillop Catholic College is dedicated to developing young women who have the courage to grow in their academic, faith and social maturity and go out into the world to make a difference.

In 2018 the College has been recognised for developing a growth mindset in all students leading to excellence and achievement of **EXCEPTIONAL HSC RESULTS**. We are very proud of our confident young women and share in this brochure some of the achievements and future destinations of our students.

Congratulations to the students and teachers for the dedication that has led to these young women achieving such possibilities for their future lives. All of our students have left to go to university, private colleges, TAFE, apprenticeships or work.

Well done MMCC!
